

Public Golf Course, City of LaBelle, FL
RFP # 2013-02
Addendum No. 1
Issued May 21, 2013
FD 2013-322

This addendum must be attached to the proposal. This is Addendum No. 1 to the above noted proposal to clarify and amend the RFP documents. This document must be included in the proposal package scheduled to be delivered on Wednesday, June 12, 2013 at 3 pm local time.

1. In response to requests for additional information, several files have been posted under the Public Notices tab of the City of LaBelle website; www.citylabelle.com
2. The files are a [Geotech](#) report of the site, a [Master Site plan](#) for the Sports Park adjacent to the proposed golf course site and a [CAD dwg](#) file providing property boundaries.
3. As an update, since the May 15, 2013 Pre-Proposal meeting, the Governor of Florida has signed the Budget for Fiscal Year 2013-2014. In the Budget is the City of LaBelle Recycle Water Project which will provide non-potable water for irrigation purposes to the golf course. The city intends to move forward with the Recycle Water project as soon as possible.
