1.3 Selection

Proposals for each service under the 18DB NR CDBG award shall be submitted, evaluated and awarded separately. Grant Administration evaluations will take into consideration price as required, while Engineering Services shall not include price in the evaluations under the CCNA (Competitive Consultant Negotiation Act).

Proposals shall be reviewed by a selection committee, ranked based upon the criteria set forth within this RFP, and negotiation for contracts shall follow the order of ranking from highest to lowest score. Each committee member shall perform their own independent ranking based upon the criteria herein and the highest ranked firm may be determined by tally of the number 1 ranked proposer(s) among the selection committee (i.e. if 3 of 5 members rank one firm number one then that firm receives highest overall ranking and recommendation of the committee, and so on) or similar method. Scores shall not be by simple tally of totals or similar process, such that one selection member might skew the score of the whole committee. Presentations are not expected, but an interview panel may be requested, especially in

the case of a tie, at the discretion of the Mayor. The selection process shall be open to the public and records maintained in accordance with CDBG requirements.

1.4 Contracts

Negotiation of contracts for services shall follow the initial ranking of proposals. Should a satisfactory contract not be achievable with the number one ranked proposing firm or individual, then that proposal shall be rejected, and negotiations shall begin with the number two ranked firm and so on. Procurement and contracting of all services shall conform to CDBG guidelines and all related State and Federal regulations including 2-CFR200 and CCNA.

1.5 Submittals

Consultants shall submit one original, four copies and one electronic copy of their proposal to the above-referenced contact person and address in sealed packages and marked clearly: “**SEALED PROPOSAL FOR LABELLE CDBG (ENGINEERING OR ADMINISTRATION AS APPROPRIATE) SERVICES**”, no later than 2:00 p.m. on February 8, 2018. To facilitate effective evaluation by the City, proposal shall be limited to a total of 50 pages. MBE/WBE certifications(s), statement of Public Entity Crimes, other appendix documentation, sectional dividers and back covers will not be counted toward the total. A letter of interest or executive summary, not to exceed three (3) additional pages, may also be included in the proposal. Written questions regarding the Request for Proposals may be submitted to Mary Jo Wilson no later than 5:00 p.m., December 29, 2017. An addendum will be issued if necessary at the end of the question period. Proposals that exceed this length will be considered non-responsive and will not be evaluated. Late proposals will be returned unopened and are considered non-responsive. Proposals will be opened as soon as possible after the submission deadline. Evaluation and selection will occur in accordance with the appropriate requirements at a time and place to be determined. At the discretion of the selection committee, proposers may be asked to give a short presentation/interview as part of the selection process. The City supports Equal Opportunity Employment, Fair Housing, Drug Free Workplace, and Providing Handicapped Access.

1.6 Evaluative Criteria
