

RFP 2021-01
LaBelle Zone A Septic Tank Conversion Project

Sealed BIDS will be received by the City of LaBelle for the **LaBelle Zone A Part 1 Septic Tank Conversion** project. The project consists of the construction of approximately 2,385 linear feet of 8" PVC SDR-26 gravity sewer, 37 linear feet of 10" PVC SDR-26 gravity sewer, 9 manholes, 21 new service laterals, a duplex pump station, 1,040 linear feet of 6" PVC (DR18) forcemain by open cut, 1,132 linear feet of 6" HDPE (DR11) by horizontal directional drill, and paving replacement. The project includes all associated grading, sodding, restoration and site work; and all incidental work needed to provide an in-place, functioning system.

Bids will be received by the City of LaBelle, Florida, at LaBelle City Hall, 481 W. Hickpochee Ave., LaBelle, Florida 33935, until 2:00 p.m., Eastern Daylight Time, February 11th, 2021. An original and three copies must be provided. Bids will be opened on February 11th, 2021 at 2:00 p.m. local time in the LaBelle City Hall Commission Chambers. Late submissions will not be accepted and will be returned unopened.

The CONTRACT DOCUMENTS may be examined at the following locations:

The office of the City of LaBelle Public Works Department in the LaBelle City Hall, w. Hickpochee Ave., LaBelle, Florida, 33935, and the office of Four Waters Engineering, Inc., 324 6th Avenue North, Jacksonville Beach, Florida, 32250, (904) 414-2400, Ms. Laura Constantino.

Bidding Documents may be obtained by contacting Ms. Laura Constantino with Four Waters Engineering, Inc. at LConstantino@4WEng.com or (904) 414-2400. Digital Copies will be made available at no charge. Hard copies will be made available for a payment of \$100.00 for each set. There will be no refund of the document purchase price.

David A. Lyons, Mayor
City of LaBelle, FL
